A Sweet Trip for a Sweet Treat

Recently, a group of The Broadway's residents and staff traveled to Metairie to delight in the delicious taste of warm, fresh beignets from Café du Monde! It was a nice road trip that the residents really enjoyed. Having coffee at home here at The Broadway is always nice, but having coffee and a beignet at Café du Monde is priceless! We are already looking forward to our next trip.

A Challenge at The Broadway

Many of our residents enjoy activities such as clipping coupons, bingo, helping to prepare the newsletters, and various other activities. After brainstorming to come up with an idea that could involve *all* residents, the Activity Department decided to introduce a 750-piece puzzle to residents in the Activity Center. It took the residents 9 days to complete it! It was wonderful seeing the residents, staff, visitors, family and friends stopping by the Activity Center to lend the residents a helping hand. The doors of the center were always open and our residents worked on it day, night, and all weekend long. It was a wonderful feeling to walk into the Activity Center on Monday morning and see it completed! The residents were so excited and they are very eager to start on the next puzzle. Our completed puzzle is now glued, framed, and displayed at The Broadway for everyone to see! If you have a few moments to spare, please feel free to stop by the center to lend a helping hand in putting the puzzle together with residents. With togetherness, anything is possible!
