## 2017 National Nursing Home Week

National Nursing Home Week is always a highly anticipated event every year! This year's NNHW did not disappoint. The week began with a game of The Price is Right, where residents and team members were able to bid on various prizes throughout the entire week. The Car Club Wanderers also visited The Broadway and put on a car show for our residents. Later in the week, we held a Sadie Hawkins contest where Tranise and Mr. Joe won the award for best outfit. We closed out the week with a barbeque and sno balls! The weather was great for our events. We thank everyone who helped make this NNHW a memorable one - we're already getting excited for next year!

**Having it "Our Way" at Burger King**

A group of The Broadway residents & staff recently went on an outing to Burger King for a tasty meal. With the help of staff, family members, and a few Facebook friends, we were able to collect some coupons for the restaurant from our local newspaper. It was a great outing and a scrumptious meal!

**Paying it Forward**

One of the goals of the Life Enrichment Department is to promote staff involvement and establish exceptional relationships with our residents. It has been a pleasure watching staff members interact with our residents, and we recently recognized those team members who have gone above and beyond. We've shared many laughs lately, but something awesome has been strengthening - our teamwork! Residents and staff bonded in a special way. Here at The Broadway, everyone part of this incredible team is a winner!
