Trick or Treat!

The Broadway Elder Living & Rehabilitation recently hosted their annual Trick or Treat event. Halloween is by far the most loved holiday by our residents, as they absolutely love seeing all the children and adults dressed in their costumes. Each year the participation is becoming larger than the previous year. The activity department starts planning months ahead of time to ensure every child receives good treats!

Halloween night usually becomes a cheat night for most of our residents, although they are reminded of their diets. Most reply by saying, "Who cares?" After all, who are we to tell a sweet person that they can't have chocolate?

Honoring our Veterans

At The Broadway, our veterans really mean a lot to us. The Life Enrichment Department decided to show their appreciation with a homemade Veteran's Day meal for these brave servicemen. Their meal consisted of BBQ pork ribs, BBQ pork steaks, smothered potatoes, potato salad, bread, and Sock It To Me Cake. Our veterans were happy, and our hearts were so full! Thank you for your service, gentlemen.

Happy Anniversary!

Celebrating Our Incredible Dietary Department

Recently, we celebrated National Dietary Week at The Broadway. The dietary staff enjoyed a lunch of delicious boiled shrimp with all the trimmings. It was truly a wonderful day! A special thanks goes out to Kathy Dardar for her dedicated 27 years of commitment to the Broadway. Congratulations, Ms. Kathy!

For the Love of Modeling

Mikayla Cameron is the daughter of Jenny Rasid, MDS Coordinator at The Broadway. Mikayla is a sophomore at Central Lafourche High School and is 15 years old. Since 2014, she has taken a special interest in modeling and has pursued her dream ever since. She recently graduated from the Barbizon School of Modeling in New Orleans in 2016. After graduation, she flew to Tampa, FL, where she embarked on a cruise to Cozumel and the Cayman Islands with her fellow model friends. While on the cruise, she was able to compete in the runway competition and met over 100 agents in the modeling industry! She received six callbacks from her competition and now she will be meeting with these agents to seek reputable representation as a young model. She has thoroughly enjoyed her experience thus far. Jenny and her family are looking forward to what the future holds for her, and very much appreciate all the prayers and support they have received along their journey!
