## FROM OUR ADMINISTRATOR

August 29, 2021 is a day we will always remember. Hurricane Ida ripped through our community that day and changed many lives forever. Growing up in South Louisiana, I have seen many Hurricanes, and the biggest thing that I see each time is just how loving of each other we are as a community. Being willing to help a stranger without being asked and without the expectation of anything in return is such a beautiful thing to witness.

After 25 days of being displaced, we were able to return to The Broadway and begin rebuilding our wonderful facility. During this time we went through many hard times and even had to battle the Covid pandemic. Through every challenge we continued to hold our heads up. Even though this was a hard time for everyone, our staff never looked back and even went above and beyond to take care of our beloved residents. I cannot begin to express how thankful I am for this, and how very much I appreciate our employees for their dedication.

To all the families who trust us everyday to care for your loved ones, I am thankful for your support and understanding. I pray that each and everyone of you and the staff who suffered loss because of Ida, that you will have a speedy recovery and be blessed along the way. I would like to say to the families who lost loved ones during this time, you are in our thoughts and prayers.

Stay strong and safe; we will prevail.

#broadwaystrong

Sincerely,

**Jeremy Ryman**

## Avoid The Flu!

It's that time of year again for Flu Vaccinations! Vaccinating your loved one against the flu is the best way to safeguard their health. Vaccination is particularly important for people who are at higher risk of serious complications from influenza such as hospitalization or death. Please talk to your Director of Nurses or Social Services Director to get your loved one signed up for the flu vaccination.

# #BROADWAYSTRONG

Eighty residents from The Broadway were relocated last month ahead of Hurricane Ida's arrival. Moving from Lockport to Amana Christian Fellowship Church was a success on many levels, which included cooperation of staff and residents alike. The Church did an amazing job of providing for staff and residents with assistance in many forms, including volunteers to help residents get settled, cooking meals, and even giving a concert. Amana Church basically handed the keys to the staff for use. It was indeed a difficult ride for everyone, but it was encouraging to meet beautiful people along the way. Not only do we have an incredible team of employees, but we have resilient and cheerful residents who make our jobs delightful. #broadwaystrong.
