6-0!

We recently celebrated our 6th deficiency free survey with amazing food, exciting door prizes, and stellar employees! The Broadway Elder Living and Rehabilitation takes great pride in having earned the Deficiency Free designation from the Department of Health as well as a 5 star rating from Center for Medicare and Medicaid Services (CMS). Not only have we worked very hard to earn both awards, we have worked even harder to earn your confidence and trust because we will never be satisfied with anything less.

Skilled nursing homes are among the most highly regulated entities in America. So when a facility receives a rating of "Deficiency Free" from the Louisiana Department of Health and a 5 star rating from CMS, that means that you and your loved one can expect the highest level of care in a safe environment. Furthermore, it means that during the state's most recent inspection, inspectors found zero deficiencies in care, services, and the patient environment.

Inspections are conducted by CMS on a "no notice" basis and are designed to hold health care providers accountable in multiple areas of patient services and patient life. CMS evaluates the following areas:

- * Policies and Procedures
- * Resident Care and quality of life
- * Medication Administration
- * Medical Record Keeping
- * Kitchen Sanitation
- * Staff Competencies
- * Dietary and Nutritional needs
- * Equipment
- * Safety and overall wellness of the community

Inspections are unannounced and generally take several days to perform. Not only do inspectors look to ensure that regulations are followed, but residents, employees, and resident family members are also randomly interviewed.

In addition to inspecting policies and procedures, great attention is paid to patients' quality of life, residents' rights, and quality of service. The process is comprehensive and thorough.

When a nursing home facility receives a "Deficiency Free" certification, it is proof that they have not only passed rigorous state and federal screenings, but they have distinguished themselves as being among the best care providers in that state.

Happy Birthday!

BROADWAY'S BAKE SALE

For those who have a sweet tooth, this bake sale proved to be a tasty treat! With such

lovely choices, the hard part was deciding what to buy!

Congratulations to Keyona Gabriel for being selected as Central Lafourche's Homecoming Queen for 2021. She is the daughter of April Gray, LPN, at The Broadway.

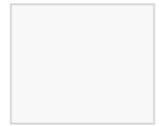

THE BEST!

Here at the Broadway, we love our Environmental Services Department. We are so thankful for all that you do. Holding down this building is no small task, but you make it look easy and do it so amazingly!

The Broadway's Dietary Department really "brings the heat" to our meals! They are an incredible group of outstanding and dedicated individuals. It's not easy to feed hundreds of people three good meals a day, but they do it so well. Thank you guys for all you do!
